

ACQUISORY
Your Growth, Our Business

Cyber Consulting Portfolio

- ✓ Acquisory Cyber Consulting LLP (ACCL) is a risk management consultancy company created by a team that brings decades of rich expertise in risk management and process engineering across various industry verticals.
- ✓ The management team's industry exposure and achievements covers specialized services in Risk Consulting, Audit, Process Re-engineering, M&A Advisory, Operational and Financial Accounting.
- ✓ The Acquisory team delivers high-stake projects in key global locations with offices in the major cities of India.

Acquisory is specialized in mitigating the security risks for its clients, going beyond standards and certifications. ACCL achieve this objective in following steps:

- Analyze business risks associated with information flow, data handling, technology infrastructure, processes, physical access and personal behavior.
- Design and deliver controls covering process re-engineering, technology implementation and awareness management to reduce risk to an acceptable level
- On-board skilled personnel to monitor and manage the risk posture
- Take corrective and preventive steps to ensure that the posture is maintained at the desired levels
