# About The Firm

- **Acquisory Cyber Consulting LLP** is a risk management consultancy company created by a team that brings decades of rich expertise in risk management and process engineering across various industry verticals.
- The management team's industry exposure and achievements covers specialized services in Risk Consulting, Audit, Process Re-engineering, M&A Advisory, Operational and Financial Accounting.
- The Acquisory team delivers high-stake projects in key global locations with offices in the major cities of India.
- Acquisory is specialized in mitigating the security risks for its clients, going beyond standards and certifications.

## Acquisory achieve this objective in following steps:

1. Analyze business risks associated with information flow, data handling, technology infrastructure, processes, physical access and personal behavior.
2. Design and deliver controls covering process re-engineering, technology implementation and awareness management to reduce risk to an acceptable level
3. On-board skilled personnel to monitor and manage the risk posture
4. Take corrective and preventive steps to ensure that the posture is maintained at the desired levels
